Message From :

P. P. GOSWAMI SHRI NIKUNJLATABETIJI
(MUMBAI)

My dear children,

I am happy to publish this booklet for you all, so that you can pray daily some of the stotras (or hymns) like Yamunashtakam, Krishnashraya, etc. and also the kirtans and Dholpad. slowly but gradually, you must memorize all these stotras (or hymns), kirtans and Dholpad. It should be in your daily routine in the same manner that you have daily bath, eat, or go to School/College. Daily you must chant at least one mala (that is, 108 times) each of : "Shree Krishna Sharanam Mama", "Shree Vallabh Sharanam Mama", and "Shree Vitthal Sharanam Mama."

You are all very blessed, as you all are the children of Pushtimarg founded by Shri Mahaprabhuji. Shreenathji is our Supreme God, and Shri Yamunaji is our Maharani, Swamini of Shri Krishna.

On rising up every day morning, you should pay respect to our eternal guru, Shri Mahaprabhuji, and Shri Gusainji. Stand before their photo, touch there feet in the photo by right hand, and touch that hand to your eyes, head and heart. You should always wear the Tulsi Kanthi on your neck. Shri Mahaprabhuji has given us a beautiful religion of love, devotion, and a path based on humanity. You must always strive to follow those principles in life.
